

TECHPUTT

SAFETY RULES

TechPutt Vegas is a themed hi-tech golf experience. It is an indoor course with light and sound.

For 5 years +

Children under 12-years-old must be supervised by a person 16+

This course is not wheelchair accessible

Any person with a medical condition, including back, neck and spinal injuries or a mobility condition should consider whether TechPutt is suitable for them

Any person with epilepsy or other conditions sensitive to light or sound should consider whether TechPutt is suitable for them

Monitored by CCTV

You must not participate if you are intoxicated

There is to be no more than 6 people on any 1 hole

Do not swing your club above knee height, putting strokes only, no full swings

Be aware of trip hazards at each hole and, on certain holes, raised platforms

Do not climb on obstacles or theming

Anyone deliberately misusing a club or causing damage may be removed from the course
